### **Welcome from the Chapter President:**

As we move forward, I am working on ways to facilitate better communication to our members. I am working with the VFC chapter webmaster to help with the Chapter website ([www.vanarfe.org/489](http://www.vanarfe.org/489)). One of the initial content is our newsletter (*by clicking 489 newsletter on left panel*) with more contents implemented in the future. The Chapter Web site will be work in progress. Any assistance from our members is much appreciated. We will still continue the mailed newsletter but are aiming to move to green. I need members to step up to help in 1) newsletter mailing and printing, 2) supplies for our monthly meeting, 3) a membership chair to help with recruiting and retaining members, and 4) coordinate with webmaster to build our chapter web page. Finally, I would like to recognize Harry L. DeVanney, NARFE member, who is interested in transferring his membership to our chapter

### **Next Meeting: Tuesday, February 14, 2012 Meeting -12:00 noon**

Board meeting will convene at 11 AM and presentation on De-cluttering at 1 PM.

Ms. Nancy Scesney, volunteer at the Vienna/Oakton Shepherd Center, is an expert on this topic and will be the speaker for this presentation.

**Upcoming Event:** 2012 VFC Convention will be held from April 22 to 25, 2012 at the Holiday Inn Kroger Center in Richmond, VA. Those interested in attending please contact the President for information.
