Dear Sirs:

On April 10, I completed my review of FY2016 and half of FY 2017  
Operation/General Account and the Convention Account but only Calendar Year  
2016 for the Political Account.

Incoming money and expenditures are supported by the QuickBook Accounting  
Software Program, the provided bank statements and authorization for payment  
of these accounts.

All of the records are in impeccable order. Mr. Raphael Wong, VFC Treasurer, has  
done an outstanding job.

Respectfully submitted,

Nancy R.Linn  
Retired Budget Analyst DoD Inspector General  
Service Officer, NARFE Chapter 1116
